SHOOFTM Tailwell[®]

The Tailwell power tail trimmer was developed in New Zealand for dairy farmers, to speed up and relieve the tedious job of trimming the tails of dairy cows. Tailwell is quick and easy to use, and can effortlessly trim a single tail within ten seconds. Herd tail trimming can be carried out during one regular milking.

- ✓ Effortlessly trims cows tails in as little as 10 seconds
- ✓ Reduces milk contamination for safer milk
- ✓ Compatible with most power drills
- ✓ Only requires minimal maintenance
- ✓ Replacement parts available
