

Covalliero Safety Vests

Features:

- Made to BETA 2018 safety standards
- Lightweight, with ease of movement
- Adjustable with hook-and-loop fasteners
- Reflective strips for increased visibility

Product Information:

This safety vest offers protection to young adventurous riders doing a variety of disciplines. It is adjustable with hook-and-loop fasteners at the shoulders and waist. Features reflective strips for increased visibility. The vest is equipped with shock absorbing material (100% EVA), the outer material is 100% polyamide and the inner lining is 100% polyester. Not machine washable. Made to the BETA 2018 horse rider body & shoulder protector standard.
