

Bucas Deluxe Fly Mask

Features:

- Anti-insect
- Reinforced darts
- Snap-Lock chin closure

Product Information:

The lightweight deluxe Fly Mask offers super protection against insects and sun. Reinforced darts help keep the mesh fabric away from the horse's eyes. The ears remain free, suitable for horses who dislike having their ears covered. Hook and loop closure on the jawbone and magnetic Snap-Lock closure on the chin groove help keeps the mask in place.
