## Product Information:

Shoof Equine is proud to present Bucas' new GreenLine eco-friendly, award-winning turnout rug. This innovative rug combines the renowned Bucas quality and design, with the use of recycled materials.

The outer is a 600D ripstop and is made from recycled plastic bottles. The Silk-feel lining, 100g insulation, binding, straps and cross surcingle's are also manufactured from recycled fibres.

The rug's T-bar front closure with Snap-lock magnetic fastening and shoulder darts enables a great fit, and the option of a separate Combi Neck adds super functionality to this eco-friendly rug!

Bucas is committed to warming your horse, not the planet!
