- Engineered for a 10+ year service life, provided with a 5 year manufacturer's guarantee
- 100% designed, manufactured & assembled in New Zealand

Product Information:

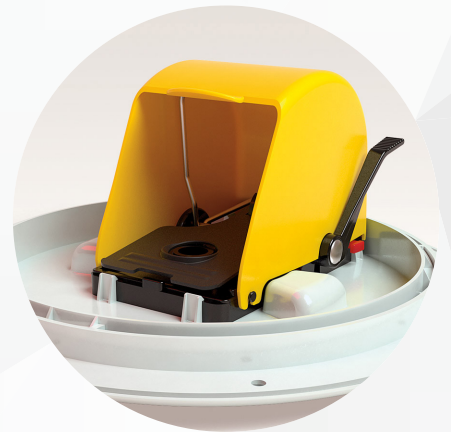

Imagine a trap so easy your grandmother would happily set and reset in her ceiling or a trap so simple your child will pester you to check and reset around the farm?

D-Rat Rodent Traps are your safe alternative to poisons, removing rodents and safeguarding your family, home and farm from pest damage.
