

Bucas Competition Cooler

Features:

- Lightweight cooler
- T-bar with Snap-lock closure
- Stay-Dry qualities
- Internal cross surcingles
- Silk-feel lining on shoulders
- Attachment points to use under any Bucas turnouts or stable rugs
- Attachment points for leg straps

Product Information:

The Bucas Competition Cooler is smart and practical, and is made with Stay-Dry lining on the upper part and fly mesh fabric on the lower part. It is the perfect lightweight

cooler for travelling. Stay-Dry lining will keep the horse dry and comfortable while the lower mesh part will help cool to circulate air and cool your horse.
