Product Information:

The Bucas Freedom Dog Jacket now gives your dog the same Bucas protection as your horse. These dog jackets are made with waterproof, breathable rip-stop outer and have reflective strips on the rear sides. The adjustable belly protection keeps your dog dry and clean underneath and the rear elastic straps help keep it in place.

The wide neck is perfect for all shapes and sizes and the collar has an opening for the lead to come through. The Freedom Dog Jacket has 300g insulation. Well designed and easy to use the Freedom Dog Jacket will keep your dog comfortable and your mind free of worries!
